From Mr. McIntosh.

Editor of Tan Imnux, Actes. Duan Sim: From the silence that has existed in our portion of the territory since the setting of the thirty-third assembly I have inferred that there has not been much interest taken there. and lobbyists here from everywhere

constituents have been silent. There has been very little done as yet that especially affects San Juan county people. We have simply restored salaries of county officers to what they formerly were, except the sheriff. The change that is made in his pay is to give him 12% cents per mile for mileage actually traveled.

There has been a bill passed both houses, compelling collectors to keep public moneys within the territory, which of course affects our county. But the only way I see out of it is for us to As to that newspaper bill, it is already before the house. I have gotten a bill sounty commissioners to levy a tax of \$2500 for the erection of bridges, but they may kill it in the council. I am watching our interests closely and think these matters in charge.
